(V) In G.O.No.Ms.1461 Development dated 31-3-1944, the Government were pleased to sanction the employment of 28 chowkidars and one lower division clerkx for patrolling the Bellary rationed area. On actual working, it has been found necessary to guard 4 more posts and the Collector has recommended the appointment of 16 chowkidars and 1 lower division clerk for these 4 posts. The Board agrees with the Collector and requests that sanction may be accorded for the appointment of 16 more chowkidars. By the addition of these 4 chowkid posts the number of chowki posts will come to 11 and one Supervisor cannot effectively supervise the work of the chowkidars in all the 11 posts. The Board therefore requests that one more Supervisor of the grade of Lower Division ix clerk may be sanctioned. The Board is directing the Rationing Officer, Bellary to employ the staff in anticipation of sanction of the Government and it requests that its action may be approved.
